We have partnered with the Canadian Diabetes Association to recycle gently used textiles and clothing for reuse. Acceptable items include accessories, clothing, curtains, towels, blankets, sheets, shoes and boots. Profit from these items help send diabetic kids to camps in throughout Ontario and to additional research to find a cure. Pickups can also be scheduled with Diabetes Canada by calling 1-800-505-5525 or visit the website at: <https://declutter.diabetes.ca/pickup>
